## ARTICLE XX

### ALTERATION OF AGREEMENT

No agreement or amendment shall be binding on any of the parties hereto, unless such agreement is made and executed in writing between the parties.

## ARTICLE XXI

### REDUCTION IN FORCES OR ABOLISHING A POSITION

In accordance with the policy of the Board of Education to deal fairly with any member of this bargaining unit affected by a reduction in force, or the abolishment of a position, the following guidelines shall be followed:

- (1) Employees affected by a reduction in force will be those employees who have the least amount of continuous service with the Board of Education.
- (2) In the event a job opening occurs following a reduction in forces, employees affected by the reduction in force shall be recalled in the inverse order of seniority, in their job category, or according to qualification to perform the job.
- (3) In the event a position is abolished, that employee so affected, shall have the right to exercise their seniority providing they can perform the job they are applying for and further providing they have more seniority than the employee to be replaced.

## ARTICLE XXII

### REPRESENTATION FEE

#### A. PURPOSE OF FEE

If a member of the bargaining unit covered under the terms of this agreement does not become a member of the Association during any membership year, (i.e., from September 1st to the following August 31st) prospectively, which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association from that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

#### B. AMOUNT OF FEE

1. Notification - Prior to the beginning of each membership year, the

Association will notify the Board, in writing, the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members shall not exceed 85% of that amount.

2. Legal Maximum - In order to adequately offset the per capita of the services rendered by the Association as majority representative, the representation fee should be equal in the amount of the regular membership dues, initiation fees and the assessments charged by the Association to its own members, and the representation fee may be set up to 85% of that amount as the maximum presently allowed by law.

#### C. DEDUCTION AND TRANSMISSION FEE

1. Notification - Once during each membership year covered in whole or in part by this agreement, the Association will submit to the Board, a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with Paragraph 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

2. Payroll Deduction Schedule - The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid.

a) 15 calendar days after receipt of the aforesaid list by the Board; or

b) 45 calendar days after the employee begins employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Board in a non-bargaining unit position, or was on layoff, in which event the deductions will begin with the first paycheck paid 15 calendar days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

3. Termination of Employment - If an employee who is required to pay a

representation fee terminates employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

4. Mechanics - Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

5. New Employees - On or about the 1st day of each month, beginning with the month this agreement becomes effective, the Board will submit to the Association, a list of all employees who were actively employed in a bargaining unit position, as defined in this agreement, during the preceding 30-day period. The list will include names, job titles, and dates of employment for all such employees.

4. Save Harmless - It is specifically understood and agreed that the Irvington Education Association and its parent organization (N.J.E.A.) shall indemnify and hold the Irvington Board of Education harmless against any and all claims, demands, suits and other forms of liability for reasonable Counsel fees and other legal costs and expenses that may arise out of, or by reason of any action taken or not taken by the Irvington Board of Education in conformance with this provision.

## ARTICLE XXIII

A. Negotiation of Successor Agreement - The Board agrees not to negotiate concerning said employees in the negotiating unit as defined in Article I of this Agreement with any organization other than the Association for the duration of the Agreement.
